OUR MISSION

To seek justice, to act with integrity, and to work with our partner agencies to protect the citizens of the Towaliga Judicial Circuit and the State of Georgia. To prosecute professionally and competently; to treat all people courteously, and respectfully; to advocate for the rights of victims; and above all to make our community a safer place for all of its residents.

OUR DUTIES

- Prosecute all criminal cases in Superior and Juvenile Court through appeal.
- Prosecute all criminal cases in Butts and Lamar County Probate Court.
- Attend and advise Grand Juries.
- Draft indictments, accusations and Grand Jury presentments.
- Draft Juvenile Petitions on delinquency cases.
- Handle Habeas Corpus Cases and Appeals.
- Screen all cases for determination of disposition.
- File and prosecute civil drug asset forfeiture cases.
- Prosecute welfare fraud cases.
- Advise Law Enforcement officials concerning search warrants, etc.
- Review, authorize and monitor Title III wiretaps.
- Verify Local Revenue Bond Issue Petitions.
- Process Detainers and Extraditions of out of state defendants.
- Respond to open records and criminal record Expungement requests.
- Prepare Destruction/Retention Orders for Law Enforcement Agencies.
- Review and process cases for Accountability Court Staffing and Court.
- Review and process cases for Pre-Trial Diversion Program.
- Organize and assist Coroner Inquests.
- Assist crime victims with State Crime Victim Rights and Procedures.
- Chair Child Fatality Review Committee meetings.
- Assist Multi-Disciplinary Team Reviews on Child Abuse Cases.
- Assist Sexual Assault Team Review meetings.

OUR TEAM

In addition to the District Attorney, the Office of the District Attorney has a full time staff of ten prosecuting attorneys, six legal assistants, two investigators, and four victim advocates.

Our office is divided into trial teams that are assigned to individual counties and that handle all cases assigned to their respective courts. Our office handles all misdemeanor and felony cases in the Superior Courts of Butts, Lamar and Monroe Counties, all juvenile cases in Juvenile Court of Butts, Lamar and Monroe Counties, and all criminal cases in the Probate Courts of Butts and Lamar Counties.

Throughout 2020, our office experienced a tremendous amount of growth and change. We welcomed several new Assistant District Attorneys, a new Legal Assistant, and two new Victim Advocates

Our goal is to ensure we have an outstanding team of professionals working to ensure justice for our community.

The Butts County team members are: Jessica Rock, Cayce Ingalls, James Moss, Michelle Williams, Mark Daniel, Dianne Miner, Amanda Hawkins, Bonita Lynn, and Nathan Beverly.

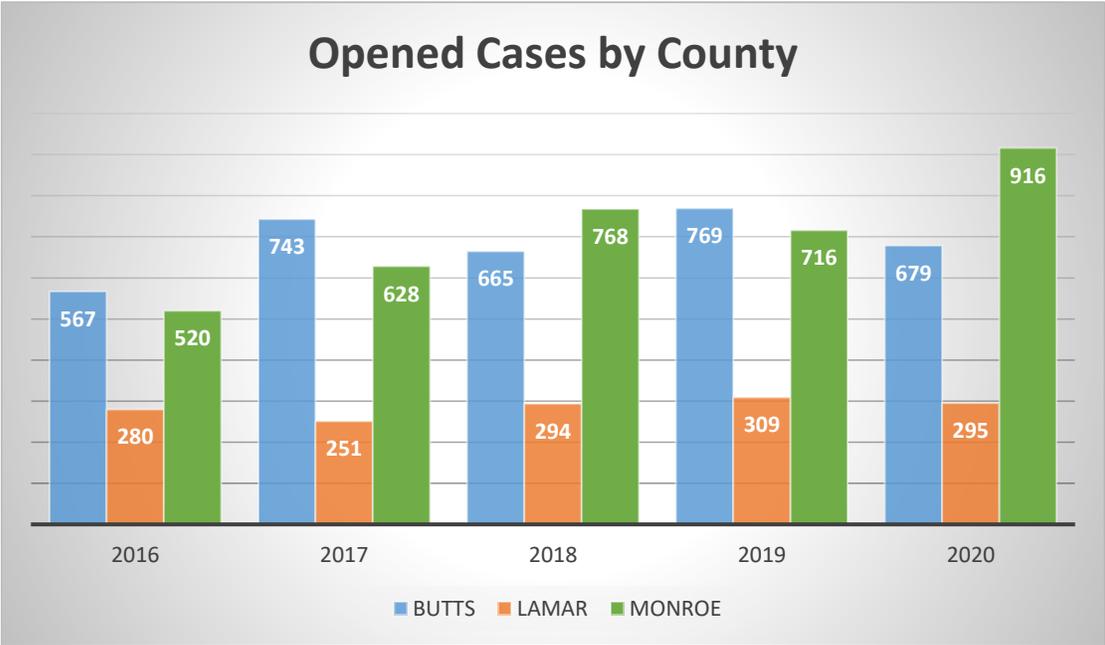

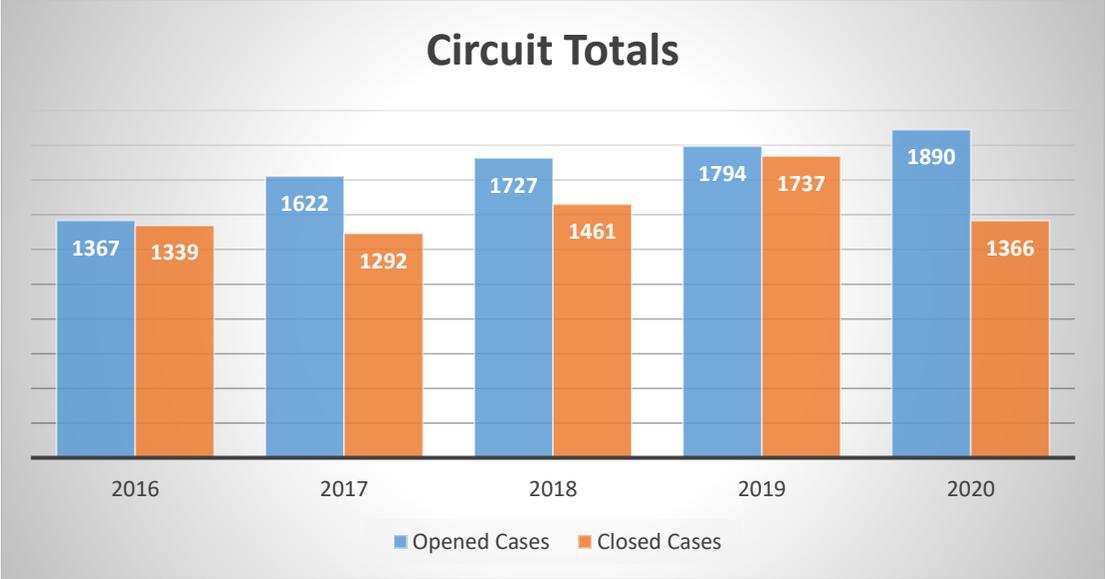

The Lamar County team members are: Allison Howard, Caroline Storey, Wayne Jernigan and Max Smith.

The Monroe County team members are: Elizabeth Presley, Fran Norris, Dorothy Hull, Carolee Jordan, Lorraine Bunn, Ginny Sapp, Morgan Andrews, Donna Ruffin, Greg Guest, and Leslie Tilson.

OUR CASES

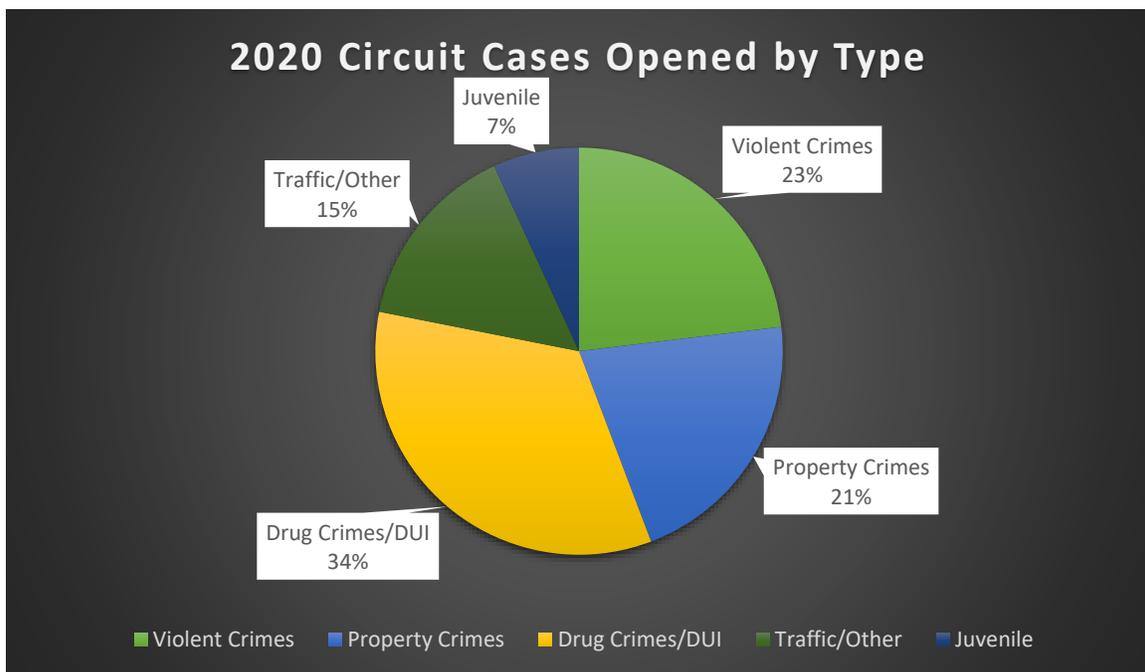

In 2020, we opened 1,890 cases for prosecution and closed 1366 cases. The data in this report only reflects criminal cases resulting in arrests. Our current open caseload is 2,395 cases which results in an average of 266 open cases for our nine line prosecutors.

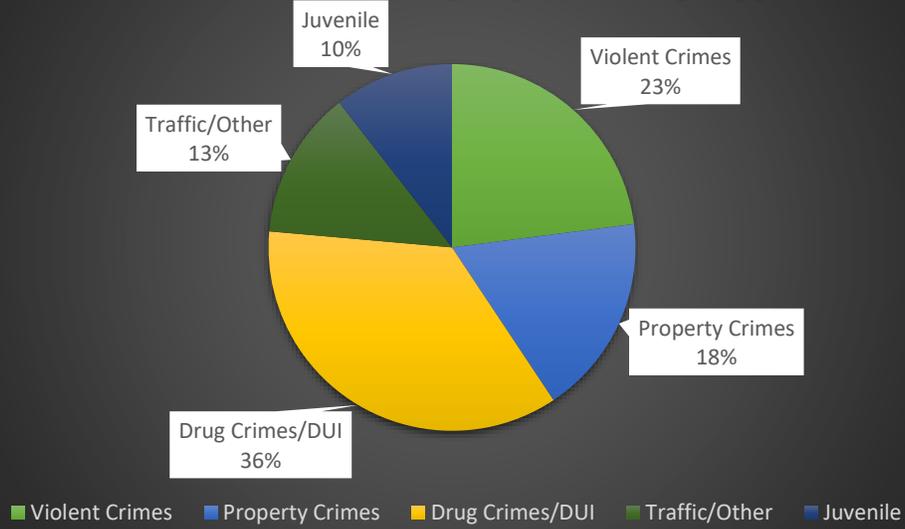

CASES OPENED BY TYPE

This chart demonstrates the majority of cases received in our office are either Drug Crimes or DUI/Traffic. There is a need for us to take a multi-pronged approach to Drug and Alcohol prosecution. We will work closely with law enforcement to ensure we target dealers and to ensure stiff punishment. We will also increase our efforts with the Accountability Courts to address the issues of addiction.

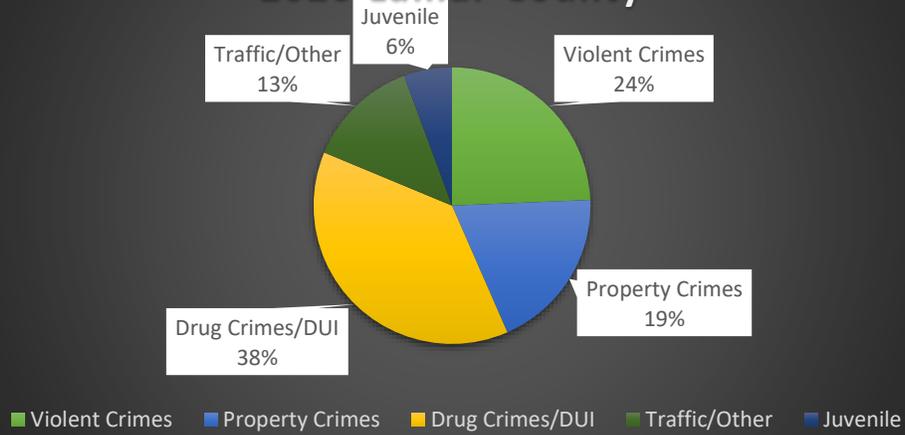

The chart below illustrates the caseload by percentage of cases being opened in the Office of the District Attorney in 2020. Our tracking instrument does not collect data from juvenile court or probation revocations sufficient to break down the types of cases. However, they involve all manner of violations, from simple technical issues with the compliance to newly committed offenses.

2020 Lamar County

2020 Monroe Cases

OUR WORK - BUILDING CASES

Team Work Improves Investigations

Our prosecutors and investigators are on call and available to law enforcement 24/7, particularly in serious violent felony cases against adults and children or other complex cases. Upon request, our prosecutors will provide legal advice regarding search warrants, interviews of suspects or whether additional evidence would be required to prove a case in court.

Grand Jury

After an arrest, warrants are forwarded to the Office of the District Attorney for prosecution. Our investigator then requests reports and additional follow-up from law enforcement, as well, as acquiring additional needed information, such as medical reports, scientific testing results or additional witness statements. Once our prosecutors determine a case is ready for formal charges to be lodged, they draft indictments in cases requiring Grand Jury review or accusations in cases statutorily permitted to be charged by the State. The majority of cases passing through the Office of the District Attorney are presented to the Grand Jury, which is where citizens have been selected to hear evidence and determine whether probable cause exists. They then issue a True Bill (meaning there is sufficient evidence for probable cause) or a No Bill (meaning lack of evidence or probable cause).

Trial

The majority of cases in the criminal justice system are resolved by guilty pleas when defendants accept responsibility for their crimes. When a defendant declines to plead guilty, we provide a trial by jury which can take place every quarter. This year, our office worked hard to ensure we were ready to try multiple criminal cases throughout the year.

NEW INITIATIVES

Our office began working in a new direction with several new initiatives, which are committed to better serving a safer community.

COVID-19 Response

The Supreme Court of Georgia declared a Judicial State of Emergency March 15, 2020, in response to COVID-19. This state of emergency prevented any Grand Juries from hearing cases until October 13, 2020, and canceled all trial juries for the rest of the year. We continue to have court to hear motions and pleas, but there is a backlog of cases that will take several years to completely clear.

Animal Crimes Prosecution and Training

Through a generous grant aimed at reducing animal abuse state-wide, our office continues to employ a prosecutor to train and prosecute animal cruelty cases in our circuit and throughout the state.

Jessica Rock is an Assistant District Attorney with the Towaliga Judicial Circuit and the Georgia Statewide Animal Crimes Prosecutor and Trainer, only the 3rd of this kind in the nation. She provides statewide animal crime (animal cruelty and dogfighting) case assistance for law enforcement and prosecutors. She also provides statewide and national training to law enforcement, animal control officers, prosecutors, judges and veterinarians on a variety of topics. These topics include animal abuse cases from the crime scene to the courtroom, dogfighting investigations and prosecutions, as well as, the link between animal abuse, interpersonal violence, and other collateral crimes.

Citizen's Advisory Council

We are creating a working group to form a Citizen's Advisory Council for the Office of the District Attorney. The council will provide citizens the opportunity to learn about the criminal justice process and to effectively collaborate with the members of District Attorney's Office and community leaders. The primary goal is to help build and strengthen relationships between the community and the District Attorney's Office, in an effort to make our community a safer place.

Community Outreach

Our goal is to ensure the community knows of the work going on to keep them safe. It can take months to years until a case is solved and resolved in court, so it is important to keep the public informed with all the information possible.

Additionally, we want a place in which victims can understand their rights in the criminal justice system and apply for every available resource.

The Towaliga Circuit District Attorney's Office along with many friends were proud supporters of the Michael Norris Golf Tournament, an annual event that helps to sponsor the Deputy Michael Norris scholarship fund.

Our victim advocates are fortunate to attend the annual Georgia Commission on Family Violence 25th Annual Conference with Monroe County CARE Cottage.

Congratulations to former Assistant District Attorney Anita Howard on her election as District Attorney of the Macon Judicial Circuit. We are proud of her hard work and dedication. This is an outstanding opportunity for her and her community.

We worked hard during 2020 to continue work in court while dealing with the limitations of COVID-19. We were also fortunate to have several new members join our team, such as Mark Daniel and Wayne Jernigan.

District Attorney Jonathan Adams with Prosecuting Attorney's Council Gang Resource Prosecutor John Regan, as he is sworn in as a special assistant district attorney to fight gang activity in the Towaliga Judicial Circuit.

Our ultimate goal is for our community to be a safe place to live, work, and play. There is no one solution to addressing crime in our community. It is a dynamic and changing landscape in which we have to address both defendants and victims as individuals. Our intention is to remove extremely violent individuals and sexual predators from our society through incarceration, but we also recognize that many defendants have the potential to live productive and fruitful lives if core issues with mental health and addiction are properly addressed. Our best work is performed when we collaborate with our partners such as law enforcement, community leaders, church leaders and school leaders. It is a genuine pleasure to be a voice for victims in our community and I look forward to our continued progress as your District Attorney.

-District Attorney Jonathan Adams
